Arlington Girls Softball Association

Who are we?

The **Arlington Girls Softball Association (AGSA)** is a community association that provides recreational and competitive fastpitch softball opportunities for all girls ages 5 to 18 in Arlington County and surrounding communities. AGSA has been in existence for over 35 years as an affiliate program with the Arlington County Dept. of Parks and Recreation. Our "House" leagues are considered developmental and teams compete against each other in the spring and fall with the promise that EVERYONE PLAYS. AGSA depends on the donations of community groups, businesses and parents to offer youth girls' fastpitch softball in Arlington.
