

# 2019 AGSA PICTURE DAYS WITH BRIAR CREEK PHOTOGRAPHY

Teams are to report to their game field 45 minutes prior to game time. Photos will be taken on the field; individuals as they arrive and then the team photo when determined by the coach.

Families may print the order form and send the completed form with their player on Picture Day with check or cash payment, or complete and pay for their order on Picture Day. Visit our table host at the field to see sample items and pay using cash, check, Visa or MasterCard. Please make checks payable to Briar Creek Photography.

Finished orders will be mailed directly to the players using addresses provided on order forms. There is a \$3 mail-to-home charge per order.

The Photographer will take multiple shots of each player and determine the best one to complete each order. Each individual photographed will receive a complimentary laminated bag tag, courtesy of Briar Creek Photography.
